#### PREFACE

This report is one in a series on Soviet Ground Force and Logistic installations being prepared for a DIA CIA Panel. The series is being coordinated, published and disseminated by NPIC. The photographic analysis is being performed by the NPIC Photographic Analysis Group, the CIA Photographic Intelligence Division (NPIC), and the Production Center 1P1a (DLV). The photographic analysis for this particular report was performed by the Production Center 1P1a.

In the interest of uniformity, the titles and letter designators for the facilities observed at these installations are identical with those appearing in the project requirement. When a specific facility is not observed both its title and letter designator are omitted in the report.

Titles and letter designators for the various facilities are as follows: A railroad service, B road service, C landing strips, D administrative and troop housing areas, E storage areas, F ammunition storage areas, G POL storage areas, H other buildings and facilities, J equipment storage maintenance areas, K athletic fields, L small arms firing ranges, M driver training areas, N tank assault gun firing ranges, P flat trajectory firing ranges, Q artillery emplacements (batteries), R infantry or combined arms field training areas or courses, S special training facilities, T unidentified facilities or tracking activity.

#### SUMMARY

Two military storage areas are located 51 kilometers (km) east of Tbilisi, USSR, (Figure 1). The installations cover a total of 80 acres. One area contains munitions storage buildings and the other area contains barracks,

administration buildings, and vehicle storage buildings (Figures 2 and 3).

A comparison of [REDACTED] reveals little change in facilities and continuous activity in the storage areas.

#### DESCRIPTION OF INSTALLATION

##### Railroad Service

The storage areas have access to the Tbilisi-Telavi single-track rail line.

##### Road Service

The areas are served by all-weather roads.

##### Administrative and Troop Housing Area

Area D contains 3 multistory barracks and 3 administration buildings.

##### Ammunition Storage Area

Area E contains 8 unrevetted storage build-

ings and a probable guardhouse. This area is double fenced.

##### POL Storage Area

The Tbilisi Storage Area Vaziani, a POL storage and transshipment depot, is located 3 km northwest.

##### Equipment Storage Maintenance Area

Area J contains 13 vehicle storage maintenance buildings, each 170 by 50 feet. This area is double fenced.
